Dear F. I have not got the time
you sent me. This P. had
gold out when I was there
this time is black skin. It
is at the corner of our street
the 3 windows you are
one above another in the
left hand corner of the east
and opposite this house. They
belong to brother P. Office.
I think it is beautifully
coloured. It is quite new out-
it is has lovely hue to-day
but very cold. I don't like
this P. is gone to Dorchester.
